

Timberline Knolls and Belmont Behavioral Health would like to invite you to hear two leading authorities on eating disorders, trauma and addiction.

Susan Gordon, Ph.D.

Kim Dennis, M.D.

Susan Merle Gordan, Ph.D., is the clinical program manager of the Mood & Eating Disorders Unit at the Belmont Center for Comprehensive Health and has an extensive background in addiction and eating disorders treatment.

Kim Dennis, M.D., medical director at Timberline Knolls Residential Treatment Center, is a nationally known board-certified psychiatrist who specializes in treating young girls and women with eating disorders, addictions and co-occurring disorders.

Timberline Knolls is a residential treatment center located on 43 beautiful acres just outside Chicago, offering a nurturing environment of recovery for women ages 12 and older struggling to overcome eating disorders, substance abuse, mood disorders and co-occurring disorders. By serving with uncompromising care, relentless compassion and an unconditional joyful spirit while helping our residents help themselves in their recovery.

Belmont Behavioral Health (BBH) is one of the largest, most comprehensive behavior health systems in Philadelphia. For over 70 years, Belmont has provided compassionate, confidential, expert behavior health care to people of all ages. As part of Albert Einstein Healthcare Network, BBH provides a comprehensive level of health services including psychiatric care, emergency triage and evaluation, outpatient, intensive outpatient, partial hospital and inpatient.
